Introduction

Welcome to Legendarium.

The comprehensive genealogical overview of the characters of J.R.R. Tolkien.

Choose a layer to show the characters in all or just one of Tolkien's books.

To find a certain character use the Find command of your browser:

- Either go to the Edit pull down menu and choose Find.
- Or use the keyboard shortcut Ctrl + F (Windows), ⌘ + F (Mac). Some names have more than one instance. To go to the next instance use Ctrl + G or ⌘ + G.
